Part VI

Operation and Security

1. **Operational Information.** You will regularly review and are responsible for regularly reviewing the instructions, FAQ, and user information available at <https://www.janusintl.com/products/noke>.

2. Password and Your Security Obligations.

A. Upon registering for the Software, you will receive a verification code that you will use to login in to the Software for the first time. You will then be required to select a unique user ID (“ID”) and password (“Password”) to access the Software. You will select the initial Password. If you lose your Password, you may request Janus to issue you a randomly generated replacement Password. Upon receipt of such replacement Password, you must immediately access the Software to change such Password to a new Password selected by you. You are encouraged to change your Password regularly and to select a strong password (i.e., 12+ characters and a combination of upper and lower case, symbols (e.g., !@#%\$), and numbers). You are responsible for requesting Janus to issue you a new Password if needed for any reason. Repeated incorrect attempts to log-on may result in deactivation of your Password, in which event you will need to request Janus to issue you a new Password. In the event of a security breach of your Password, you shall provide such assistance to Janus as may be requested by Janus in the investigation of any unauthorized use and any enforcement proceedings in connection therewith.

B. You acknowledge and agree that only one (1) user log-in account for the Software is available. If you choose to permit others to use your ID for the Software, you will ensure that such other users comply with this EULA and use your e-mail address and Password to log-in to the Software. You will be solely responsible for taking all steps as are necessary or prudent to safeguard your Password. You will be responsible and liable for any use of the Software by any person to whom you make your ID or Password available or to whom you otherwise make available any portion of the Software, as well as for all acts and omissions of others who use your ID whether or not such person’s use of your account or Password was authorized by you.

C. You acknowledge and agree that the Software has multiple security setting options. The Software’s default setting, and Janus’s recommendation, is the highest security level setting available on the Software. However, you have the option to set the Software to a lower level of security if you so choose. Janus will have no liability for any unauthorized access to or use of the Software as a result of your choice of security level settings.

D. You agree that Janus may, in Janus’s sole discretion, treat as you (or as an authorized user on your account) any person who presents your ID and Password or any other credentials that Janus and/or the Facility deems sufficient for account access.

E. Janus may, from time to time, identify vulnerabilities or other bugs in the Software for which Janus may offer a patch or update. You agree to promptly implement and install any such patch or update as soon as such patch or update is made available.

F. You agree to not reverse engineer, perform penetration testing, or otherwise attempt to identify vulnerabilities in the Software without Janus’s prior written approval.

3. **Mobile Apps.** Without limiting any restrictions set forth elsewhere in this EULA, the License granted to you for any mobile app is limited to a non-transferable License to use the Software on any mobile device that you own or control.

The Software is licensed, not sold, to you for use only under this EULA. This license does not allow you to use the Software on any mobile device that you do not own or control, and you may not distribute or make the Software available over a network, or where it could be used by multiple devices at the same time. Without limiting any of the other restrictions set forth in this EULA, you may not rent, lease, lend, sell, redistribute or sublicense the Software, and you will not copy, decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Software, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with any mobile apps). Any attempt to do so is a violation of the rights of Janus and its licensors. If you breach this restriction or any other terms or conditions of this License, you may be

subject to prosecution and damages. This EULA will govern any upgrades provided by Janus that replace and/or supplement the Software, unless such upgrade is accompanied by a separate license designated by Janus, in which case the terms of that separate license will govern. Janus does not guarantee that the Software will be available for, or function in connection with, all smart phones or other mobile devices. The additional content and services associated with the Software may also change at any time in Janus's sole discretion. In order to use the Software, you must also purchase an appropriate data plan from your wireless carrier and all fees charged by the Facility, if any. Janus is not responsible for overages or for actions that your wireless carrier may take against you for using data in violation of your wireless carrier's service terms.

4. Additional Provisions for Mobile Apps.

A. The Software contains modules or code provided by Nokē, Inc.

B. You acknowledge that this EULA is between you and Janus only, and not with Nokē, and that Janus, not Nokē, is solely responsible for the content thereof.

C. You acknowledge that Nokē has no obligation whatsoever to furnish any maintenance and/or support services with respect to the Software.

D. To the maximum extent permitted by applicable law, Nokē has no warranty obligation whatsoever with respect to the Software, and any other claims, losses, liabilities, damages, costs, or expenses attributable to any failure to conform to any warranty will be Janus's sole responsibility (subject to the qualifications, disclaimers and limitations set forth in this EULA).

E. You acknowledge that (i) in the event of any third party claim that the Software or your possession and use of the Software infringes that third party's intellectual property rights, Janus, not Nokē, will be solely responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim, (ii) Janus, not Nokē, is responsible for addressing any of your claims or those of any third party relating to the Software or your possession and use of the Software, including (A) product liability claims, (B) any claim that the Software fails to conform to any applicable legal or regulatory requirement, and (C) claims arising under consumer protection or similar legislation, in each instance, subject to the qualifications, disclaimers and limitations set forth in this EULA, and (iii) that, at Janus's option in its sole and absolute discretion, the sole remedy for any claim of infringement is replacement.

F. You acknowledge and agree that Nokē and Nokē's subsidiaries, are third party beneficiaries of this EULA, and that, upon your acceptance of this EULA, Nokē will have the right, and will be deemed to have accepted the right, to enforce this EULA against you as a third party beneficiary thereof. You acknowledge and agree that (i) You will not reverse engineer or in any other manner attempt to duplicate or enhance the Nokē Core, and (ii) You will not use or disclose the Object Code of the Nokē Core to anyone in any manner.

Janus reserves the right to modify or discontinue the Software at any time. You agree Janus may do so without liability.
3. **Indemnity and Release; Limitation of Liability.** You will, at your sole cost, release and indemnify, defend and hold Janus, its affiliates, and its and their respective distributors, dealers, resellers, providers, suppliers, licensors (including, but not limited to, Nokē), officers, directors, employees, agents, independent contractors and representatives (collectively, the “Indemnified Parties”) harmless from and against any and all losses, fines, settlements, fees, costs, damages, and expenses (including attorneys’ fees and costs and expenses of investigation and litigation) arising or resulting in any manner from your breach of or other failure to strictly comply with this EULA or from any access to or use of (or the inability to access or use) the Software, or any portion thereof and/or the Facility caused or to the extent contributed by you.
4. **Limitation of Liabilities.** In the event that, notwithstanding this EULA, Janus is held to be liable to you, or any invitees, agents, employees or other person or entity, regardless of the legal theory asserted, whether arising out of contract, extra-contractually or in tort (including actions based on negligence, gross negligence, strict liability, and willful and/or intentional conduct), warranty, indemnity, or other theory of liability and whether related to the design, performance, use, defect or failure of the Software, then, and in that event and to the maximum extent permitted by applicable law, the limitation of Janus’s liability for any and all harm, damages, injury or loss will not exceed the trailing twelve (12) months rental payments made by You to the Facility for Your Unit.
5. **Limited Time to Assert Claims.** **TO THE MAXIMUM EXTENT PERMITTED BY LAW, YOU AGREE THAT NO LAWSUIT OR ANY OTHER LEGAL PROCEEDING ARISING OUT OF OR IN CONNECTION WITH THIS EULA, OR THE SOFTWARE WILL BE BROUGHT OR FILED BY YOU MORE THAN ONE (1) YEAR AFTER THE INCIDENT GIVING RISE TO THE CLAIM OCCURRED.**
6. **Application and Binding Effect.** You understand and agree that this EULA will (i) apply to and protect the employees, officers, shareholders, parent companies, directors, agents, licensors, representatives, subcontractors, affiliates and assignees of Janus and other Indemnified Parties, and (ii) be binding on your heirs, administrators, custodians, trustees, agents, successors, and assigns.
7. **Access to Software and Compliance with Laws.** You acknowledge and agree that you remain at all times solely responsible for any access to or use of the Software by or through your ID and Password. You represent and warrant that (i) you are not located in a country that is subject to a U.S. government embargo, or that has been designated by the U.S. government as a “terrorist supporting” country, and (ii) you are not listed on any U.S. government list of prohibited or restricted parties.
8. **Notices.** You will address any written notice to Janus to 135 Janus International Blvd., Temple, GA 30179, or another address designated in writing by Janus to you. Janus will address any written notice to you to your e-mail address provided when activating the Software, and you hereby consent to receive all notices and other communications relating to the Software (so long as you use the Software and for a period of up to 180 days thereafter) at such e-mail address and agree that you are solely responsible for monitoring such e-mail address and updating the e-mail address if necessary.
9. **Entire Agreement.** This EULA, including all exhibits, schedules, and attachments, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, and understandings of any nature whatsoever. There are no representations or warranties with respect to the subject matter of this Agreement other than those expressed herein.
10. **Waiver.** The failure of Janus to insist in one or more instances upon strict performance of the covenants of this Agreement, or to exercise any right or option herein contained, shall not be construed a waiver, or

relinquishment for the future, and such covenant and/or right or option shall remain and continue in full force and effect. Any waiver shall be effective only if made in writing.

11. **Governing Law and Dispute Resolution.** This Agreement and all schedules shall be governed in accordance with the laws of the State of Georgia without regard to choice-of-law principles, and the laws of the United States applicable therein. You agree that if any dispute arises hereunder, either you or Janus shall demand in writing that the dispute be arbitrated, in which case you and Janus agree that each party will immediately stay any court proceedings and the plaintiff will submit the dispute to binding arbitration by a single arbitrator under the “Supplementary Procedures for Consumer-Related Disputes” of the American Arbitration Association then in effect, in Atlanta, Georgia. If for any reason the AAA cannot hear the dispute, you agree to proceed before any mutually agreed arbitrator or, if unable to agree, before an arbitrator appointed by the AAA in accordance with its rules, as applicable. YOU AGREE THAT ANY CLAIM WILL BE BROUGHT ONLY IN YOUR INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, THEREBY WAIVING THE RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER IN A CLASS ACTION RELATING IN ANY WAY TO A DISPUTE.
12. **Severability.** If any provision of this EULA or the application of any such provision to any person, entity or circumstance shall be held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provision of this EULA, which will remain in full force and effect, and will be binding upon the parties hereto and their respective heirs, executors, representatives, employees, affiliates, successors, and assigns. The parties intend that all disclaimers of warranties, limitations of liability, and exclusions of damages in this EULA will be upheld and applied to the maximum extent permitted by law.
13. **Contact Janus.** Any questions, complaints or claims regarding this EULA or the Software (including any Mobile App) should be directed to Janus at 135 Janus International Blvd., Temple, GA 30179, or another address designated in writing by Janus to you.
14. **Language.** This EULA may be provided in a language other than English as a convenience to you. Notwithstanding the existence of non-English language versions of this Agreement, you agree that the English language version is the only official version and in the event of a conflict between the English version and a version in any other language, the English version governs.
